PROFILE

Hi! I am Shahriar Fardows, a passionate MERN Stack Developer focused on creating exceptional web experiences. I specialize in building beautifully designed, intuitive, and functional websites. With over 2 years of experience in web development and design, I am confident in my ability to deliver high-quality work for your company.

EXPERIENCE

TEACHFOSYS

Really Great Company
March 2024 – Present

- Contributed to the development of intuitive school management and e-commerce blogging websites.
- Utilized HTML, CSS, JavaScript (ES6+), React.js, and Tailwind CSS to create visually appealing front-ends.
- Collaborated cross-functionally with teams to meet project milestones and ensure a seamless user experience.

PROJECTS

- **TeachFosys Website:** Developed the front-end for TeachFosys's official website, integrating React.js with Tailwind CSS and RESTful APIs.
